

Sh. Guru Teg Bahadur Sen. Sec. School is a learning community, dedicated to develop skills of students and making them outstanding who can pursue their interests and strengths of to the best of their ability so that our enriched students can work with co-operation in this society and build a strong generation for tomorrow's better world.

The school stimulates innovation among students by motivating them to bring forth fresh ideas,creative thinking and strong conviction.

We are committed to work collaborately with parents to nurture an individual who has strong moral values,love for society and nation and family values. Educating a child is a giant leap toward the elimination of darkness of ignorance.

For this purpose we are committed to introduce a number of co-curricular activities ,daily spoken English classes so that our students can build up an overall excellent personality.
